What is the Less Conference?

LessConference is being held in Jacksonville, FL on Saturday, October 17, 2009. LessConf is a conference for people building companies, products and applications that are user centric. The speakers have all have or have had a business that make money and their customers love. The content will be very personal, inspiring, informative, filled with a wealth of information and advice. The format of the talks is a 45 minute talk followed by a 15 minute Q&A with Steven Bristol and audience submitted questions.

Why Sponsor the Less Conference?

The conference will not only provide high quality, content to a savvy, networked group of individuals, but also encourage the growth of the development and entrepreneurial communities.

Here are other reasons to sponsor LessConf:

1. Exposure to new & experienced users
2. Our attendees are vocal and highly opinionated.
3. Be associated to an awesome event
